OBJECTIVE

Seeking an internship to leverage my strong programming skills in web development (.Net (Window Forms), MVC, Html, CSS, Bootstrap, JS, JS-REACT), C++, C#, and Python as a CS student at Bahria University. I aim to apply my problem-solving abilities and attention to detail in a dynamic environment, contribute to innovative projects, and enhance my technical expertise. Through this internship, I aspire to gain practical experience, learn industry best practices, and lay a strong foundation for a successful software development career.
